## French Language and Culture French as a Foreign Language July 4–15, 2011

Our summer school is designed for students, au pairs, individuals and businesses who want to improve their French while experiencing French culture. We offer an intensive culture and language program within an academic environment. It includes classes in French language and culture, theme-based workshops, cultural visits and festive events.

Make the most of your summer vacation by discovering French language and culture in and around Paris.

### A rich and varied program

Language classes and workshops (42 hours)

- Language and culture classes from beginner (A1) to advanced level (C1/C2)
- Theme-based workshops (film, theater, culture, introduction to French academic life)
- Competency-based language training in our multimedia resource centers

Visits and activities to help you discover French culture

- Visits and trips to Paris
- Guided tours of Versailles and Breteuil castles
- End of school festivities

### Program strengths

- French classes in a prestigious institution
- Intensive culture and language program in and around Paris
- Personalized feedback and progress reports
- Innovative and technology-enabled methods
- A dynamic team of specialized language and culture teachers
- Participatory learning with a focus on intercultural communication skills
