- The scholarship period for the degree (Master's-2years, Doctoral-3years) and research program (6months ~ 1 year) cannot be extended once the scholarship is terminated.
- The change in period during the Korean language program will not affect the scholarship period for the degree program. In other words, even if a scholar's language program shortens to 6months instead of a year, the scholarship period that GKS supports for his or her degree program will remain the same (2 years for Master's degree and 3 years for Doctoral degree).
- GKS scholars with TOPIK level 5 or 6

 - Those who receive TOPIK level 5 or 6 within the first 6months of the Korean language program will be exempt from 6-month language training and must start their degree program in the following semester. The total scholarship period for these scholars will be shortened to 2.5 years for Master's degree scholars and 3.5years for Doctoral degree scholars.

 - All applicants and scholars must submit valid TOPIK certificates to NIIED.
 - If one wishes to be exempt from the Korean language program, the 70th TOPIK score is the last TOPIK score one can report to NIIED to request for exemption from the Korean language program. One must submit the valid TOPIK certificate to NIIED and his or her university by end of June, 2020.

- Korean language institution is assigned to each student based on following criteria:

- The medical insurance will not cover the expenses for dental care or chronic disease.

2. Scholarship Withdrawal and Cancellation

- One who withdraws from the scholarship after being selected as a GKS scholar will NOT receive degree completion grants and airfare for returning back to one's country. However, a former GKS

scholar who forfeited scholarship due to a scholar's failure to achieve TOPIK level 3 or above after completing Korean language program may be deemed eligible to reapply if a scholar receive TOPIK level 5 or above.
