**COGNITIVE
ADVENTURES
CONFERENCE**

9th–10th November 2015

Dear Sir or Madam,

We kindly invite you to take part in an international, interdisciplinary research conference “Cognitive adventures”, which will take place on the **9th and 10th of November 2015** at the **Copernicus Science Centre (Warsaw, Poland)**.

Conference themes:

1. Cognition, learning, and experience in museums and science centres;
2. Social capital and scientific capital – the role played by science centres and informal-education institutions in effecting social change;
3. Exhibition environments, individual exhibits, and “designed” visitor experiences.

Conference details: www.adventures.kopernik.org.pl

E-mail contact: adventures@kopernik.org.pl

We encourage you to deliver a presentation!

Kind regards,

“Cognitive adventures” Team
