### ABOUT SEED OF HOPE

Seed of Hope is an international non-governmental organization with a mission to serve communities around the world through a range of health, education and economic development initiatives. With a particular focus on youth, Seed of Hope aspires to cultivate a generation of selfless, compassionate and visionary leaders who will bring lasting change to their communities.

The work of Seed of Hope is made possible through a committed network of university students and experienced professionals and leaders from North America and Asia. Our staff and volunteers share a vision to promote the flourishing of life and are inspired to give freely from the abundance of their own lives.
