

The Institute for European Studies (IES) of Tbilisi State University, established by EU Project "Establishment of a Center for European Studies", is announcing admission for new 2012-2013 academic year for English-speaking **Master's in European Studies Program (MAES)** with the mobility opportunities with the European Universities and internships in public as well as private sector.

Institute *for* European Studies (IES) of Tbilisi State University was established in 2007 under TACIS project and is based on four TSU Faculties: Faculty of Law, Faculty Economics, Faculty of Social and Political Science and Faculty of Humanities- providing prospective students with the unique opportunity to get enrolled into interdisciplinary program. The curriculum and course syllabi of IES had been developed by international experts while considering the best practices of classical EU Studies Master's Programs in leading Western European Universities. European as well as leading TSU and invited Professors are providing the courses only in English. Students have opportunities to participate into IES public events, Round Table discussions, Public Lectures by guest speakers, international and local conferences as well as have an unique chance to publish their research into the scientific journal.

The Institute for European Studies will require prospective students to have:

- ** Undergraduate (Bachelor or equivalent) degree from a related field
- ** At least intermediate B2, level of English
- ** General knowledge of the European Union - Interest in EU Issues.
- **Passed national master's exam

Applications should be addressed to TSU. The information about the list of documents can be seen on the following link: <http://www.tsu.edu.ge/ge/juridical/orders/16796/?p=1>, or through direct contact with administration.

Dates for submitting the applications are 27 August till 4 September 2012.

Enrolment procedure is divided into three steps:

- ** Written examination in English language.
- ** Written examination in specialty.
- ** Interview with Admissions Jury.

Tuition fee: 2,000 Gel per semester
