TechTalk in Tbilisi!

Join Google engineers for a TechTalk!

Join our engineers from the Google Krakow office for a series of TechTalks to learn all about the lifecycle of Google projects, why Google Flu Trends is currently the fastest means to discover flu epidemics and to find out what it's like being an engineer at Google!

Looking forward to meeting you in person!

Saturday, April 2, 12:00

Tbilisi State University, building XI, auditorium 107

Please register online at <https://services.google.com/fb/forms/tbilisistateuni/> to attend the event. We'll be waiting for you at 13 University Str!
