

## **Joint Programs**

### **University of Cologne Master's Program (LLM zu Koln)**

Master's program is held with the cooperation of the Tbilisi State University and the German University of Cologne

#### **Program Direction:**

Jurisprudence

#### **Academic Degree/Qualification:**

Master of Law (Magister Legum, LL.M)

#### **Program Volume and Duration:**

Minimum 60 ECTS (Credits)/2 semesters

#### **Director of the Program:**

Program is based on collegiality and is directed by the representatives of the Tbilisi State University and the German University of Cologne.

#### **Prerequisites for the Enrollment in the Program:**

For the Cologne Master's Program students should have the Law Diploma (minimum Bachelor's Degree) and they should have German Language Proficiency (minimum level - B2)

#### **Goals and Aims of the Program:**

The Cologne University Master's Program aims to grant Georgian students the opportunity to improve and deepen their knowledge in the field of German and European Law. Additionally, there is an important base, which includes not only practical activities within the frameworks of German-Georgian Law family, but also support of scientific-comparative activities.

All graduates of the Faculty of Law can participate in the program (Law specialists with Diploma, Bachelors of Law and Masters of Law)

#### **Expected Outcomes:**

Applicants will have the opportunity to receive a suitable education for the qualified-practical lawyer. And on the other hand, interested individuals will continue study and scientific-comparative work in the Doctoral Program at the University of Cologne.
